

PATENT PENDING

READ ALL DIRECTIONS BEFORE USE

Directions For Use

*Simply wrap your Bit Blanket tightly around your horse's bit and plug it in. While you groom your horse and saddle up, the Bit Blanket will warm your horse's bit to a safe and comfortable temperature. Under normal circumstances the Bit Blanket effectively accomplishes this in less than 20 minutes. Be sure to wrap the Bit Blanket tightly around the bit to prevent heat from escaping during the warming process. **Always unplug the Bit Blanket when not in use.***

*****PLEASE NOTE*****

Since each rider's preparation time varies, always be sure to feel the bit before putting it into your horse's mouth to ensure it is at a comfortable temperature.

Bit Blanket has been carefully engineered for both effectiveness and safety. However, basic safety precautions should always be followed when using any electrical product, especially when children are present.

DANGER

To reduce the risk of electrocution:

1. DO NOT place or store your Bit Blanket where it can fall or be pulled into water.
2. DO NOT place or drop your Bit Blanket into water or other liquid.
3. DO NOT reach for a Bit Blanket that has fallen into water. Unplug immediately.
4. DO NOT plug your Bit Blanket into an incorrect voltage source outlet. It has been designed for use with the standard 120 VAC.
5. This product is designed for plugging into an electrical outlet. Voltage converters or plug adapters DO NOT guarantee voltage compatibility. Never force the plug into an outlet.

WARNING

To reduce the risk of burns, electrocution, fire or injury:

1. Close supervision is necessary when this product is used by children.
2. Use this product for its intended use as described in this information sheet.
3. Never allow the power supply cord to be pulled, twisted, or severely bent. Never wrap the cord around the Bit Blanket, as damage may occur at the high flex point causing cord to rupture and short.
4. Never operate if product is not working properly or has a damaged cord or plug. Call Bit Blanket Service Department at 603.329.3044.
